Jason Wisner

In every sense of the word, Senior Coach Counselor Jason Wisner is a hero. Over the past year, as Silver Oak Academy has been challenged by the COVID-19 crisis, Senior Coach Counselor Wisner's willingness to assist our site has been a vital point of light. During a COVID outbreak in May, Wisner lived on campus for more than 21 days- sacrificing time with his family to care for our youth. This commitment has continued to today, as he maintains a stringent level of professionalism and compassion for all. We are honored to recognize his dedication to our shared mission.
