Michelle Mills

We are excited to share that Michelle Mills-our Cook at Meadowlark Academy-recently celebrated her one-year anniversary with Rite of Passage. Each day, her welcoming smile and first-class meals warm our hearts and fuel our drive to improve lives. Consistent, caring, and talented, Cook Mills works long hours to ensure that all staff and students receive nurturing meals every day. As one of the site's most solid and reliable employees, Michelle literally pours her passion and love of great food into her work-it's no accident we call our hero 'Mama Michelle!'
