
Spotlight on...

Nicole, Mary & Joyce

Last year, we collectively faced challenges to our safety, security, and wellbeing unlike anything most of us had ever experienced. We realized that uncertain times require beacons of hope and assurance; folks who can lend a helping hand wherever and whenever they can to improve the health

and welfare of everyone. The Mansfield Juvenile Treatment Center Medical Team is exactly that. Guiding lights who are always willing to go the extra mile, Registered Nurse Nicole Plessy and Licensed Practical Nurses Mary Elizabeth Deshazo and Joyce Williams have earned the respect of youth and staff alike by showing our site how to maintain both stringent safety protocols and a keen sense of humor. Everyone at Mansfield is made stronger by these talented, headstrong, stubbornly-dedicated professionals-and we are honored to call them heroes.
